"Contact Info" tag will update my info directly to your Smartphone.

STOP !!!

Don't reorder Your Old-Fashioned
20th Century Business Card.

Contact me to get your 21st Century
"Ultimate Business Card" today!!!

Go to www.SmartTagBusinessCard.com
for complete details and pricing.

Everybody HATES to manually load your friend's or a business's contact information into your intelligent NEW Smartphone — Android, iPhone, Blackberry, etc. Can also have a Smart Tag with a link to your Facebook page - the options are endless. Have you just moved - this is a great way to let people know all your new info.

Solved !!! With the creation of the Smart Tags, you can now get the "Ultimate Business Card" as well as a "Smart Tag Address Label" (for back of your card) to do this work for you so it will no longer be an issue.

Looking forward to hearing from you to bring **Your Business Card into the 21st Century!!!**

NEAT TRICK - after you receive your Business Card, Address Label, etc. with the Smart Tag -

- Cut the Smart Tag off (leaving a white border around it) and tape it to the back of any of your electronic devices.
- Then when someone wants your information and you don't have your business card handy - they can just scan it with their Smart phone to get your information.

Go to www.SmartTagBusinessCard.com for complete details and pricing.

Prices effective April 1, 2013 and are subject to change. Not responsible for Typo Errors.
